Dear Sir,

Doctor D V Gore has been working in my clinic
as voluntary assistant since the beginning
of October 1912 During his time he has
made the best of the opportunities afforded
to him and shewn himself very diligent
and capable Besides assisting in the work
of the clinic in general – in the ward allotted
to him at the out-patient department
and in the operating room – he has been
doing special work in histo-pathology of
the eye as the outcome of which two

papers by him — one on contraction of
accommodation of the eye", and one, on
concretions in the optic nerve" have
appeared in the "Ophthalmoscope" publi
in London Latterly he was engaged on the
third piece of histopathological work,
but before he could finish it, he had th
misfortune to be laid up with severe
continuous fever which he is not yet
free from He has been already confined
to bed nearly three weeks and he may
not be able to get out of bed for about
another week He has become so run-d
on account of his illness, that a perio
of four to six weeks of convalescence
would be indispensable before he
undertakes his return journey As the
illness and the inevitable prolongation
of his stay here have put him to

~~on account~~ by the illness of Mrs D V Gyn is a proper charge on her private resources, and Govt ~~Hungarian~~ cannot sanction the additional amount of £50 asked for as a scholarship. In view of the fact, however, that Mrs D V Gyn is taken up with her family in a foreign country the sum of £50 prayed for will be given as a loan to be repaid to Govt after her Return to the State. The Comptroller is Requested to arrange for the payment of the loan at a very early date and also for the Recovery of the amount in due course.
